1881 Schieffelin Pl, Bronx NY 10466
917-698-1293
profwoods@me.com

"...He is approachable and valued member of our college community. As an instructor, our students find him supportive and accessible...."

Alexander Canals
Monroe College Dean

"...He works well with students and has helped defuse in class disruptions. I feel Ché Woods has the ability, knowledge and leadership to run his own class..."

DeGuzman
Monroe College Professor

"...Che Woods is a dynamic educator with a long record of success as an instructor at Monroe College…Prof Woods is always prepared for his classes and organized in presenting material His student evaluations are laudatory; they consistently describe an energetic instructor that has an interest in his subject matter and in helping students to be successful. ."

W. Jeff Wallis, Ed.D
Vice President for Academics.

Professional Profile

Eager to return to the collegiate community as an instructor of Algebra, Sociology and/or Financial Literacy. Using a unique combination of education experience coupled with twenty plus years' business background in entrepreneurship, I believe I am uniquely qualified to fulfil this position.

- Hold Master's Degree and Bachelor's Degree in Business.
- Experienced inuse of the Internet and educational software.
- Understands, appreciates and can reach traditional and nontraditional students.
- Dedicated to enthusiastic and dynamic teaching as a means of creating and nurturing a lifelong love of knowledge in students.
